26 Nov 2007 in Worms.

## 2<sup>nd</sup> International Symposium on Decommissioning and Dismantling in Europe

**26. – 28. Nov 2007  
in Worms, Germany**

## INVITATION

sat. Kerntechnik GmbH cordially invites you to take part in the

## 2<sup>nd</sup> International Symposium on Decommissioning and Dismantling in Europe

The symposium is providing for the exchange of ideas and experience and the creation of new synergies. Due to the participation of numerous well-known international lecturers an interesting programme is to be expected. We are providing you the opportunity of taking part in an excursion to a nuclear facility. Please take note of our registration form "Excursions".
